

# Karaoke CD/Cassette Player/Recorder

Model 2595AV

**Encourage student participation and create innovative learning opportunities with this rugged classroom Karaoke player. With its include wireless mic, the 2595AV is ready for immediate fun, sing alongs, and performances!**

1. Included handheld wireless microphone with 100' range for mobility
  2. Retractable handle with two underside wheels for portability
  3. DVD/CD/cassette player ideal for enrichment and activities
  4. Two microphone inputs allow two presenters to be heard at the same time for performances and presentations
  5. 80Watts RMS amplifier powerful enough for groups up to 200 people and can also serve as a public address system
  6. Separate bass and treble controls for optimal audio quality
- One year warranty for school uses - unlike units purchased from consumer electronics stores whose warranties would be voided if used in schools
