

**MULTI-PURPOSE PROJECTION CARTS AND STANDS**

- PMOH and AVOH models are ideal for overhead projectors featuring added work shelves for reference or presentation materials.
- Work shelves on the AVOH-2939J and PMOH models fold down for easy storage.
- AVOH models are partially assembled for convenience and arc welded for added strength.
- AVOH models adjust in cart height and well depth to accommodate various projectors.
- The Universal Projector Cart handles projectors up to 100 lbs. Two adjustable shelves place projector at optimum height for sitting or standing presentations.
- The OHP 75 overhead projection cart on heavy duty casters provides the presenter with the option to sit or stand during the presentation.
