## Ultra Portable HD Document Camera

Classroom Technology Essentials.

**The Recordex Simplicity 5e HD Doc Cam** sets a new standard in compact shooting performance. Weighing in at just 2.25 pounds and constructed of aluminum alloy the SimplicityCam 5e shoots images and video in stunning HD quality.

### 5MP HD Camera.

The SimplicityCam 5e combines amazing optics with a 5MP CMOS camera sensor to give you outstanding professional imaging up to 2592 x 1944.

### Full 16X Digital Zoom.

Using the SimplicityCam Viewer software you will have a full 16X digital zoom to magnify your subject in real time.

### Full Autofocus.

With complete autofocus your document or subject will be instantly focused for crisp clear images every time.

### Big Shooting Area.

The SimplicityCam 5e takes very little space and still offers an amazing 12.75" x 17.25" shooting area. It also comes with a Recordex soft shooting pad to make sure you are able to quickly align your documents, books, and objects for optimum shooting.

### LED Lights.

With fully adjustable LED lighting you can adjust the lighting to whatever level you choose. Of course the LED lighting is eco friendly and rated for 50,000 hours of use.

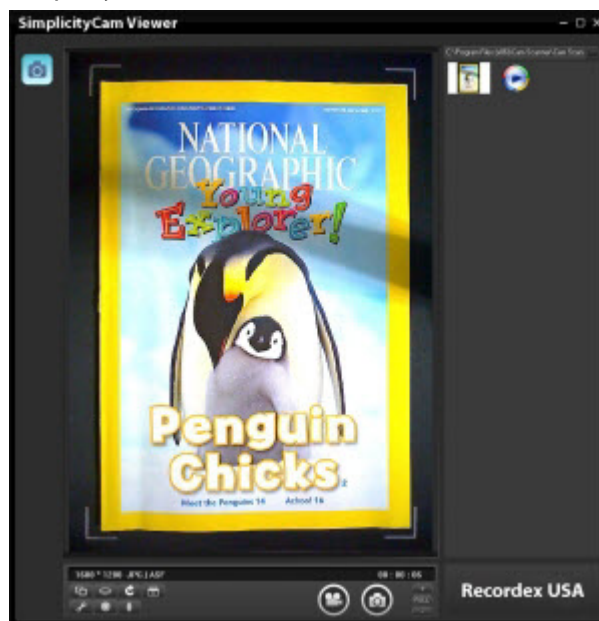

### Compact, Light Design.

Amazingly portable. Built of aluminum alloy and less than 2.5 pounds, the 5e is built for the rigors of school, office, or any commercial application.

### Capture It.

Like what you see? Then save it for later. Capture video at up to 30 fps or snap an unlimited number of still images and save them to your computer through the USB 2.0 connection using the bundled software. Easily edit or manipulate captured images using your preferred software.

SimplicityCam Viewer Software for Windows

### Fine Image Adjustment.

With both automatic and manual control over white balance and exposure your images will appear exactly as you wish. Let the camera do the work for you, or trust your own eye and tweak the settings manually.
