

Personal CD Player

Model CD-102

1. CD-R/RW capability to read teacher created materials
 2. Digital LCD display with track number, minutes, seconds
 3. Programmable memory functions allow for random ordering
 4. 60 second anti-shock system
 5. Comfortable and lightweight adjustable stereo headphones
 6. Volume control
 7. Line out to connect available jackbox for group learning and other audio listening capabilities
- AC/DC operation for indoor / outdoor capability
 - One year warranty for school use - unlike CD players purchased from consumer electronics stores whose warranties would be voided if used in schools

This personal CD Player enables Special Ed and AP students to work at their own pace, or add an optional jackbox for group learning applications. It can also be used to support comprehension, phonics, vocabulary, ELD, ELL and other language learning programs

"Project Intercept"
